

Epoch Counseling Center has immediate openings for 2 PT and 1-2 FT counselor(s) to work in its outpatient behavioral health clinics. The FT position would involve divided time between two locations. The job duties involve conducting clinical assessments, providing individual, group and family counseling services, and managing insurance authorizations. All candidates must have previous clinical counseling experience and authorization to practice as a certified or licensed counselor, or an LCSW-C. Preference will be given to applicants who have master's level education, state licensure in Maryland (at least at the LG level) and a strong interest in working with adolescents and young adults. The positions require evening work at least two nights per week until 9 p.m. The positions offer the opportunity for extensive clinical training as well as a supportive team environment. Paid leave and health/dental benefits are available.

Job Type: Part-time and Full Time

Required experience:

- Clinical counseling: 2 years

Required license or certification:

- Strongly preferred LCPC, LCADC, LCMFT, LCSW-C

Required education:

- Master's preferred
